

IV2020-VA

12th International Symposium Visual Analytics and Data Science

28 - 31 July 2020

Technische Universität Wien - TU Wien • Vienna • Austria

<http://www.graphicslink.co.uk/IV2020/index-at.html>

submission portal: <https://www.conftool.org/IV-austria-2020/>

24 – 27 November 2020

Victoria University • Melbourne • Australia

<http://www.graphicslink.co.uk/IV2020/index-au.html>

submission portal: <https://www.conftool.org/IV-australia-cgiv-2020/>

Call for Papers, Videos and Participation

Scope & Theme

- Combining visual and computational methods of Data Analysis, Machine Learning and Artificial Intelligence
- Visual Analytics models and approaches
- Novel Visual Analytics applications
- Visual Trend Analytics
- Visual Analytics of spatial, temporal, and spatio-temporal data
- Knowledge construction and management in Visual Analytics
- Guidance in Visual Analytics
- Intelligent approaches of Visual Analytics and Data Science
- Adaptive Visual Analytics
- Cognitive approaches and explanations for Visual Analytics
- Visual Analytics for explaining AI
- Visualization of Data Mining algorithms
- Empirical performance studies
- Evaluation of Visual Data Mining methods
- Collaborative Visual Analytics and Data Science
- Computational steering for long-running Data Mining applications
- Reviews and surveys of related literature

Supporting Bodies

- Research Group on Human-Computer Interaction and Visual Analytics, Darmstadt University of Applied Sciences, Darmstadt, Germany
- University of Salerno, Italy

Preconference course: Doctoral Research Workshop
Researcher Link Forum: Research Project Collaboration
Focus Group Publication: Post conference publication

Important Dates :

Submission of papers & Submission of tutorials:

IV2020_Vienna: <http://iv.csites.fct.unl.pt/at/call-for-papers/important-dates/>

IV2020_Melbourne: <http://iv.csites.fct.unl.pt/au/call-for-papers/important-dates/>

=====Symposium

Symposium specific inquiries should be addressed to:

Ralf Dörner (Prof.)

Wiesbaden University of Applied Sciences, Germany
ralf.doerner (@) hs-rm.de

Kawa Nazemi (Prof.)

Darmstadt University of Applied Sciences, Germany
kawa.nazemi (@) h-da.de

Loredana Caruccio (Dr.)

University of Salerno, Italy
lcaruccio(@)unisa.it

Autilia Vitiello (Dr.)

University of Naples Federico II, Italy
autilia.vitiello(@)unina.it

OR

All other enquiries and submissions should be addressed to:

Conference coordinator

GraphicsLink..

Conference Co-ordinator

21 The Grove P.O. BOX 29, HATFIELD, AL9 7RL, UK.

Tel: +44 1707 - 652 224

Email: iV_CGiV <iV_CGiV@graphicslink.co.uk>
